# Prayer Letter from Ivor & Angela Cooper

July 2010

Prayer focus and news from Warwickshire

## Recent Highlights

**'Warwick University Christian Union'** – A couple of recent visits for both evangelism and training were very encouraging.

**'BodyBuilders' Youth Houseparty** – A good weekend in Bournemouth with a group of young people from Hampshire working alongside Gordon & Penny Curley.

Once again, many thanks for your prayers and support of our work. We had a great break at the end of May and are now back into the swing of things, with a busy summer schedule ahead.

Don't hesitate to get in touch for up-to-the minute prayer information – also, a visit to 'my pages' on the Counties website will provide current items for prayer - [www.countiesuk.org/cooper](http://www.countiesuk.org/cooper).

I've recently been using material from the [www.max7.org](http://www.max7.org) website – a great free resource of videos, and ideas for reaching children and young people. Why not take a look?

Every blessing,

*Ivor & Angela*

## Bringing you up to date . . .

### Family

All are keeping well. As I write, Jennie & Jay's baby is due very soon, 'official' date – July 2<sup>nd</sup>, but they hope she arrives sooner. Angela has been very busy at school and is counting down the weeks until the summer. Kate & Mike's eldest (Freddie) starts Nursery in September.

### Camps

A busy summer of camp work lies ahead (see diary). Please pray for the necessary preparation for each camp, plus the flexibility to address issues and needs as they arise in each situation.

### 'Take a look at life'

I've been talking about it for years! But, hopefully, I'll be spending some time in September developing the 'Take a look at life' material so it can be used by others without my presence. Please pray that ideas will flow and a resource will be developed that is of real use to churches in their outreach programmes.

### Myton Church

My work alongside Myton Church in Warwick ([www.mytonchurch.org.uk](http://www.mytonchurch.org.uk)) continues. Caffe Nero's in Leamington Spa has been a base for a regular programme of outreach events, including basic Christianity Courses. Encouraging some of the many church groups with their evangelism will be a priority during the autumn.

### On-line – where I've been:

I've already mention [www.max7.org](http://www.max7.org) as a useful website. Here's what else appears in my 'Recent History' list:

- [www.bbc.co.uk](http://www.bbc.co.uk) (sorry, but I had to keep up-to-date with the World Cup!)
- [www.biblegateway.com](http://www.biblegateway.com) (always open whenever I'm preparing a message)
- [www.istockphoto.com](http://www.istockphoto.com) (one of the best on-line resources of quality images)
- [www.yousendit.com](http://www.yousendit.com) (a useful way of sending large (up to 100Mb) files)
